Dear Greg and Cecilia,

It's another year... finishing up one year and beginning a new one! Hoping for a great 2019! I want to thank you for the "Bottle Opener". You always come up with the best gift ideas! It was nice of you to think of me during the holiday season. I hope everything's going well for you. I'm so appreciative of everything you do for our great state!

I'd like to wish you happiness, good health, great success and God's blessings throughout the New Year!

Yours truly,

R. L. Waltrip
